

Faithful to All His Promises

Scope & Sequence

Faithful to All His Promises is a study for children on the Promises of God. The purpose of the curriculum is not simply to teach children about some of God’s promises, but rather to teach them what it means to trust in those promises. Emphasis is placed on the idea that God’s promises are a gift to us, not something that we deserve. The curriculum begins as children learn what a promise is, what makes God trustworthy with these promises, and who these promises are for. The curriculum goes on to explore several promises from God and how He has been and will be faithful to each of those promises.
